SAY YES!

to transforming a life

Right now, 104,000 children are eagerly waiting for a sponsor to change their world. **For less than \$1 a day, you can sponsor one child and give the precious gifts of opportunity and hope for a better future.**

ChildFund is a vital lifeline for children who are barely surviving from one day to the next. **Your gift of \$28 a month** will give one child

maybe the only chance she or he will have to escape poverty. Your sponsorship provides medical care, nutritious food, education, and a special bond the child will never forget.

Fill out the attached card, fold it, seal it, and mail it.

Please do it today ... a child is waiting for you.

ChildFund assists 15.2 million children and family members in 31 countries. We meet or exceed all state and federal requirements for a charity organization and adhere to all stringent charity guidelines established by Charity Navigator and Better Business Bureau.
